

NEVER GIVE UP

Sometimes you are in a position that you don't know where you are or what you're doing, you are lost, you are lonely, you are weighed down and you need hope.

There are times when you fall down either emotionally, physically, or spiritually, but anytime that happens if you can remember these three little words, it will help you to overcome the bad things, wipe your knees off, stand up and... "NEVER GIVE UP!"

Giving up is the one thing you should never do and if you give up, you admit that you have no avenues & there are always other turns to get to new avenues and where you want to go.

You will always have doors ready to be opened and goals to set and achieve, if you apply this phrase and... "NEVER GIVE UP!"

Life is not only hard and difficult at times, it is a struggle, trying your hardest to run the race and get to the finish line is what matters most in other words... "NEVER GIVE UP!"

To succeed one has to believe in their heart of hearts that they are trying their best to show "Stallion Pride" at school, togetherness at home, and understanding with friendships, and even handling daily things without too much stress. Just do what I do and... "NEVER GIVE UP!"

God knows how strong those three words are because he gave those words to us. He's also given us situations in which to apply these words. Hold your head up high and look to the sky and say out loud, "I WILL NEVER GIVE UP!"

Make "NEVER GIVING UP" part of your daily routine. Each of us have difficult periods, but if we etch in our souls, hearts and minds you guessed it... "NEVER GIVE UP!", our routine becomes more positive allowing us to get through anything!

By "NEVER GIVING UP," our knees aren't skinned so badly, our goals are plenty, our avenues are bountiful, we finish the race, the sky looks bluer and our optimism shines through all because of remembering that we control the power of those three little words and we... "NEVER GAVE UP!"
